

Proficiency Certificate

PROJECT TITLE	DIAGNOSIS OF HYDRANT SYSTEM AT MORONI PRINCE SAID IBRAHIM INTERNATIONAL AIRPORT (COMOROS)
CLIENT	SCH (Comoros Hydrocarbon Society)
PLACE	Moroni Prince Said Ibrahim International Airport (Comoros)
TOTAL AMOUNT	Confidential

DESCRIPTION

- Realization of hydrant system operative audits at Lomé
- The diagnosis studies initially consisted in collecting and analyzing the essential technical data (plans, flow rates, etc.) via a site visit
- Presentation of preliminary result on site
- All diagnosis studies have been developed on the technical bases of international EI type standards
- The studies carried out by site made it possible to list, via simple diagrams translating the hydraulic models produced, the hydrant system design faults
- Technical solutions proposals
- The entire study was written in french
